*** GUIDE PRICE £685,000 - £715,000 *** This lovely family home offers far more than first meets the eye, with generous accommodation, a fantastic amount of flexibility and plenty of potential for a new owner to make it their own.

Upstairs, there are three bedrooms, including two comfortable double bedrooms and a good-sized third bedroom. One of the property's real highlights is the side extension, which is currently used as an en-suite but offers a fantastic opportunity for a little imagination. Depending on your needs, this could make a great fourth bedroom, second reception room, home office or additional living space.

Downstairs, the open-plan kitchen/diner creates a lovely social space at the heart of the home, perfect for family life, entertaining friends or simply enjoying time together. The property has a good sense of space throughout and offers plenty of scope for someone to put their own personality and ideas into it.

Outside, there is a generous garden with a large pond, providing a lovely feature and a great opportunity for anyone who enjoys spending time outdoors. There's also a large garage and driveway, giving you plenty of parking and storage space — something that is always high on the wish list for a family home.

The property also benefits from solar panels, adding an attractive energy-efficient feature to the home.

What really makes this property appealing is its flexibility and potential. Whether you're looking for a family home with room to grow, need versatile living accommodation or simply want somewhere you can put your own stamp on, this could be exactly what you've been looking for.

Properties offering this combination of space, versatility and potential don't come along every day, so we would highly recommend arranging a viewing. Come and see it for yourself — we think you'll be pleasantly surprised by what this home has to offer.
