A beautifully renovated and immaculately presented two-bedroom Victorian terraced house, ideally situated on a popular residential side road just a short walk from the town centre. The property is perfectly placed for easy access to a fantastic range of shops, cafés, restaurants and local amenities, as well as nearby train stations providing excellent transport links.

Thoughtfully renovated throughout, the property combines the charm and character of a traditional Victorian home with a stylish and contemporary finish. At the heart of the house is an impressive full-width kitchen extension, creating a bright and versatile space ideal for both everyday living and entertaining. Feature sliding doors open onto the garden, while large skylights flood the room with natural light and create a wonderful sense of space.

The first floor provides two well-proportioned bedrooms and a modern, beautifully finished bathroom. Both bedrooms offer flexible accommodation, with the second bedroom also lending itself perfectly to use as a home office or guest room.

The property also offers exciting potential for further enhancement, with an existing loft room that could, subject to the necessary planning permission and consents, be extended and transformed into a third bedroom. This provides an excellent opportunity for a future owner to further increase both the living space and value of the property.

A fantastic example of a Victorian terrace that has been carefully renovated to create a stylish and comfortable modern home, while retaining its period charm. Its superb location, impressive kitchen extension and exciting future potential make this an ideal property for couples, first-time buyers or anyone looking for a beautifully finished home close to the town centre and excellent transport links.
